

# Centennial Park Project Engraved Brick Project Order Form

White Mountain  
Historical Society

The Town of Eagar and the White Mountain Historical Society is inviting you to participate in a unique opportunity to create a historical park in celebration of Arizona's 100 year anniversary by purchasing a brick paver. Each paver purchased will support our park. Donations may honor you, a family member, a friend, or business. Each brick will be engraved with the name designated by the donor and placed in the newly landscaped Eagar Centennial Park.

The Eagar Centennial Park is located in the gazebo area on Main Street, 194 North Main Street, Eagar, AZ.

This form will give you the information needed to make a donation and create a brick with just the message you want. Please support this worthy project. Donations are tax deductible; this is a project of the *White Mountain Historical Society* a 501 (c) (3) Non-profit Corporation.
